### VEDIC WORKSHOP

A two day workshop "Research Kick Start Workshop" was organized from 24-11-2023 to 25-11-2023 by B.V. Raju College, Vishnupur, Bhimavaram. This program's objective is to encourage the faculty members to embark on impactful and successful research projects. From Department of M.Sc. Chemistry, two faculty members attended for this workshop and gained knowledge about the research process.

The "Research Kick Start Workshop" is a dynamic professional development program designed to energize and empower faculty members in their research endeavors.

The program typically includes sessions on research introduction, methodologies, identification of problem statement, Data identification & Collection, Designing Methodology, effective literature review techniques, and leveraging technology for research. It also covers writing a good research article, selecting suitable journal/conference and submission to the conference/journal. Interactive discussions, hands-on activities, and expert-led sessions aim to provide practical tools and strategies to overcome common research challenges. Ultimately, the Research Kick Start Workshop aims to foster a supportive and collaborative research culture, encouraging faculty members to embark on impactful and successful research projects.

## 2 - Day Workshop on V-REP: RESEARCH KICK START WORKSHOP

### Schedule

**Resource Person: Dr. Raju AEDLA**  
Dean – R&D, VEDIC

<b>Day – 01</b>	
09:00 – 09:30	<b>Introduction:</b> Resource Person and Participants Presenting the context of the Workshop
09:30 – 10:30	<b>Session – I</b> Introduction of Research – Concept and Process
10:30 – 10:45	Short Break
10:45 – 12:30	<b>Session – II</b> Introduction of Research – Types of Research, Problem Identification, Defining Research Objectives – Handson Exercise
12:30 – 13:30	Lunch Break
13:30 – 15:00	<b>Session – III</b> Data Collection and Designing Methodology – Handson Exercise
15:00 – 15:15	Short Break
15:15 – 16:30	<b>Session – IV</b> Research Collaboration and Conduct Experiment
<b>Day – 02</b>	
09:00 – 10:00	<b>Session – V</b> How to Write a Scientific Paper for Publication?
10:00 – 12:30	<b>Session – VI</b> Hands on Training with Worksheets & Short Break
	Writing an Abstract Collecting and Reading Literature Writing Literature Summary Identifying Research Gaps Designing Research Objectives Identifying Various Datasets Designing Methodology Designing Graphical Abstract
12:30 – 13:30	Lunch Break
13:30 – 14:30	<b>Session – VII</b> How to Write a Research Proposal for Funding? & Handson Exercise
14:30 – 15:15	<b>Session – VIII</b> Various Funding Sources and Collaborations
15:15 – 15:30	Short Break
15:30 – 16:00	<b>Session – IX</b> Research Promotion and Career Development
16:00 – 16:30	<b>Session – X</b> Doing Honest Research Work in College
16:30 – 17:00	Feedback & Concluding Remarks

- ✓ The participants should come to the workshop with curiosity in doing research in their specialization
- ✓ The participants should attend the workshop with Notebook, Laptop, Pen, Pencil, Eraser, and Sharpener.
- ✓ The participants should attend all the sessions without fail.
- ✓ The participants shouldn't take any break between the sessions
- ✓ The assignments should be submitted in a given specified time
- ✓ All the assignments should be submitted through "The CN"

### INFORMATION ABOUT RESOURCE PERSON

Dr. Raju AEDLA is a Research Scientist and an academician, working as Dean – Research and Development since 2022 at Vishnu Educational Development and Innovation Centre (VEDIC), Sri Vishnu Educational Society (SVES), Hyderabad, INDIA.

He joined as a Research Scientist at Global Center for Natural Resources Sciences, Kumamoto University, Kumamoto, Japan after his completion of Post-Doctoral Fellowship at the Kumamoto University in Japan. He graduated and post graduated from Jawaharlal Nehru Technological University (JNTU), Hyderabad, India in 2007 and 2009 respectively. He completed his Ph.D. from National Institute of Technology Karnataka (NITK), Surathkal in the area of Remote Sensing in 2014. He worked as an Assistant Professor at KL University, Vijayawada and Associate Professor at Malla Reddy Engineering College (A), Hyderabad, India.

He is an Adjunct Lecturer at Kochi University of Technology (KUT), Japan; Visiting Associate Professor at Linton University College (LUC), Malaysia and 'International Fellow' at GEOTROPIK Center, University Technology Malaysia (UTM), Malaysia. He is an Adjunct Professor at Vel Tech University, Chennai; and Karunya University, Coimbatore, India.

He is a Visiting Faculty of Department of Civil Engineering at Andalas University, Indonesia. He is also a Visiting Associate Professor at NSN College of Engineering and Technology, Karur, Tamil Nadu, India.

He is a book chapter author for "How to become a Researcher?" published by CafetInnova Technical Society. He published 30+ technical papers in high impact factor journals and indexed conference proceedings. He is a reviewer for Elsevier, Springer, MDPI, Willey, and IEEE Journals. He organized 35+ International Conferences and Workshops in association with various universities and institutions in India and abroad.

He received Green Environment Award during ICETE-2010 by Shri. Rajendra Singh (popular as 'Waterman of India') and also received TWO Young Scientist Awards in 3rd WCSET-2014 and 3rd ICEE 2016. He also received "Research Excellence Award" at ICAEIT-2017, Malaysia.

He is presently associated with HIRATA Corporation, For Delight Co. Ltd., Kochi University of Technology, Kumamoto University, Kagoshima University, and Saga University (Japan); Burapha University and Chiba University (Thailand); University Malaysia Kelantan, Centre of Tropical Geoengineering, Universiti Teknologi Malaysia, Linton University College (Malaysia); Andalas University, Universitas Muhammadiyah Ponorogo and Universitas Sam Ratulangi (Indonesia); Ho Chi Minh City University of Technology (Vietnam), University Peradeniya (Sri Lanka), and Mandaley University (Myanmar), Feng Chia University (Taiwan).

His current research interests are Geospatial Modelling, Satellite Digital Image Processing, Remote Sensing, GIS, Satellite/UAV multi-spectral Image Acquisition and Analysis, Species Distribution Modelling, Machine Learning, and Internet of Things (IoT).

## DEPARTMENT OF M.Sc. CHEMISTRY

### VEDIC WORKSHOP

A two day workshop “**Research Kick Start Workshop**” was organized from **24-11-2023 to 25-11-2023** by B.V. Raju College, Vishnupur, Bhimavaram. This program’s objective is to encourage the faculty members to embark on impactful and successful research projects. From Department of M.Sc. Chemistry, two faculty members attended for this workshop and gained knowledge about the research process.

The "**Research Kick Start Workshop**" is a dynamic professional development program designed to energize and empower faculty members in their research endeavors.

The program typically includes sessions on research introduction, methodologies, identification of problem statement, Data identification & Collection, Designing Methodology, effective literature review techniques, and leveraging technology for research. It also covers writing a good research article, selecting suitable journal/conference and submission to the conference/journal. Interactive discussions, hands-on activities, and expert-led sessions aim to provide practical tools and strategies to overcome common research challenges. Ultimately, the Research Kick Start Workshop aims to foster a supportive and collaborative research culture, encouraging faculty members to embark on impactful and successful research projects.
