B V RAJU COLLEGE
VISHNUPUR :: BHIMAVARAM
A Two-Day Workshop
IEEE EDU-EMERGE
(Learn and Explore Emerging Tech)
19th & 20th JAN 2024

The two-day workshop "IEEE EDU-EMERGE" hosted by the Department of Computer Science at B V Raju College, organized by the IEEE Education Society YOUNG PROFESSIONALS Adhoc Committee, was designed to offer an immersive learning experience for B.Sc and B.Com Computer Science students. The event aimed to bridge the gap between theoretical knowledge and practical application, preparing students for the dynamic landscape of the tech industry.

Inauguration:

The workshop was inaugurated by Dr. I R Krishnam Raju, Principal of B V Raju College and Mr. Ch S V Satyanarayana, Vice- Principal of B V Raju College. They introduced the resource persons for the sessions. This set the tone for an enriching and educational experience for the participants.

Session Highlights:

Day 1: Session 1 - Talk on Art of Writing & Personal Branding

Session taken by Ms. Ayisha E. A, Operations Engineer, APAR Concept FZ LLC, Dubai, UAE. focused on enhancing students' skills in effective writing and building a personal brand.

Day 1: Session 2 - Data Analytics & Visualization

Session taken by Mr. Vyasan, Google Certified Business Intelligence & Data Analytics Professional, provided insights into data analytics techniques and visualization tools.

Day 2: Session 1 - Hands-on Workshop on UI & UX

- Session taken by Ms. Surabhi, ML Data Associate, Amazon, Provided practical experiences in User Interface (UI) and User Experience (UX) design.

Day 2: Session 2 –Session on Beyond the Text Book (PBL)

Session taken by Ms. Lingolo Sony, L1 Analyst Support, Accolite Digital, focused on practical problem-solving techniques beyond traditional textbooks.

Session on Resume Building

Session taken by Ms. Ayisha E. A, Operations Engineer, APAR Concept FZ LLC, Dubai, UAE, aimed at helping students craft effective resumes for future career opportunities.

Valedictory Session and Certificate Distribution:

The workshop concluded with a valedictory session where participants were acknowledged for their active involvement. Certificates were distributed to recognize and appreciate their participation in the workshop.

Conclusion

The IEEE EDU-EMERGE workshop provided a platform for B.Sc Computer Science students to enhance their skills and gain practical insights into various aspects of the field. The diverse sessions, led by experienced professionals, contributed to the overall educational development of the participants. The event received positive feedback, highlighting its success in achieving its educational objectives. The Department of Computer Science looks forward to organizing more such workshops in the future to further enrich the learning experiences of its students.

Workshop on MS Office for Smt. B Seetha Polytechnic College

Date: 23-11-2023 to 29-11-2023

The Computer Science faculty from B V Raju College conducted a comprehensive workshop on Microsoft Office for the teaching and non-teaching staff of Smt. B Seetha Polytechnic College. The workshop aimed to enhance the participants' proficiency in MS Word, MS Excel, and MS PowerPoint, providing them with essential skills for both personal and professional use.

Teaching Staff Sessions:

1. **B Naresh - MS Word:** Mr. B Naresh led an engaging session on MS Word, covering fundamental features such as document creation, formatting, and collaboration. Participants gained insights into advanced tools and techniques to optimize their document creation process.

2. **M N Ravindra - MS Excel:** Mr. M N Ravindra focused on MS Excel, imparting knowledge on spreadsheet creation, data analysis, and visualization. The session included hands-on exercises to ensure participants could apply their skills in real-world scenarios.

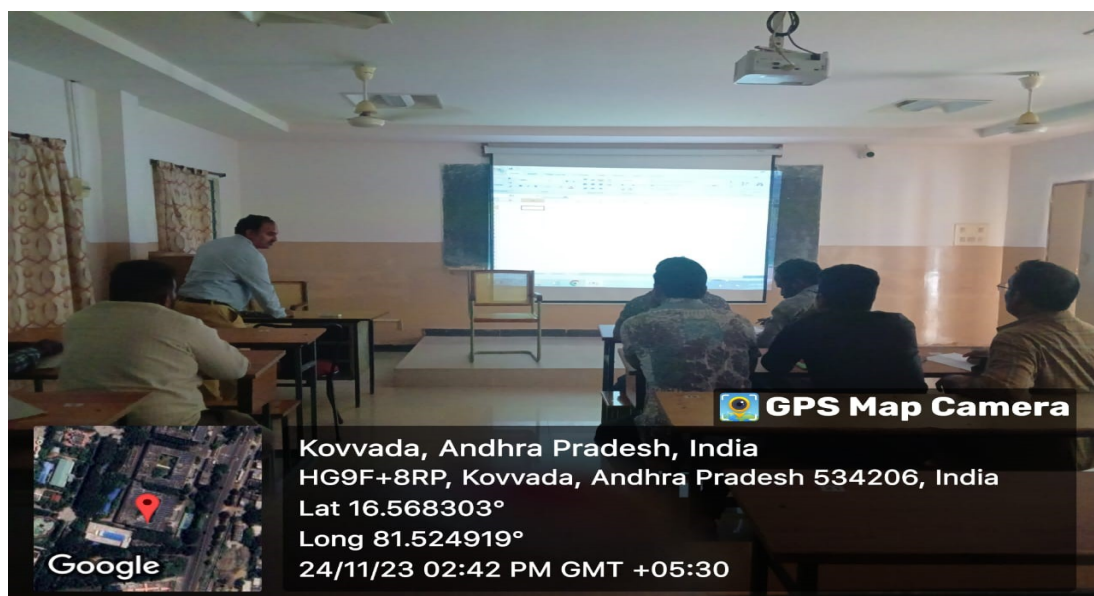

3. **A Satya Vamsi Kumar - MS PowerPoint:** Mr. A Satya Vamsi Kumar conducted a dynamic session on MS PowerPoint, guiding participants through the art of creating impactful presentations. Topics included slide design, multimedia integration, and effective delivery techniques.

Non-Teaching Staff Sessions:

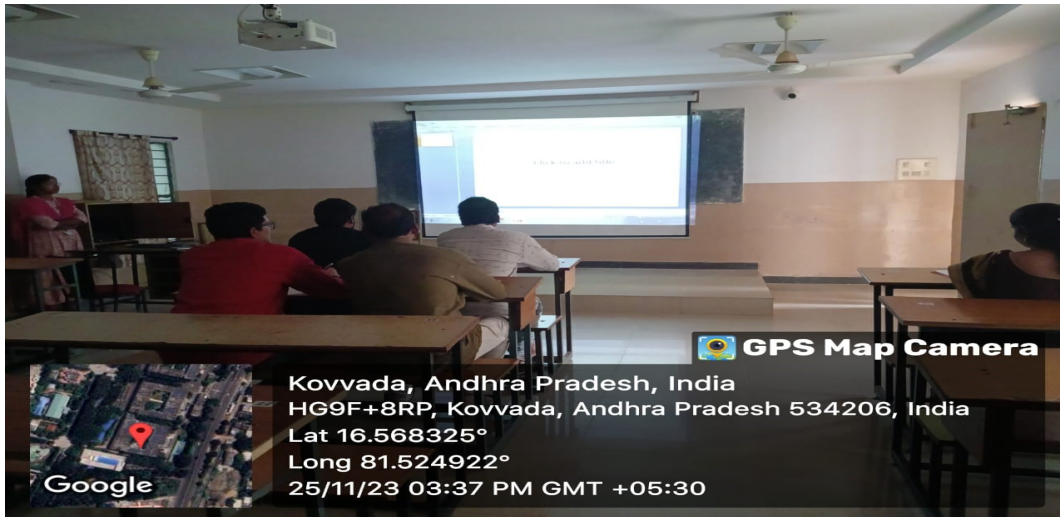

1. **V Neelima - MS Word:** Ms. V Neelima led the non-teaching staff through an informative session on MS Word, emphasizing practical applications in administrative tasks. Participants gained proficiency in document creation, formatting, and collaboration features.

2. **G Chakradara Rao - MS Excel:** Mr. G Chakradara Rao conducted a hands-on session on MS Excel tailored for the needs of non-teaching staff. Topics covered included spreadsheet creation, data organization, and basic data analysis.

3. **G Ganga Bhavani - MS PowerPoint:** Ms. G Ganga Bhavani delivered an insightful session on MS PowerPoint, focusing on creating visually appealing presentations. The non-teaching staff learned to effectively communicate information through slides and engage their audience.

The workshop provided a structured and comprehensive learning experience, allowing participants to enhance their MS Office skills. The hands-on approach, coupled with individual attention from the experienced faculty, ensured that both teaching and non-teaching staff gained practical insights into the applications of MS Word, MS Excel, and MS PowerPoint.

The MS Office workshop was a resounding success, equipping the participants with valuable skills that will contribute to their professional development. The Computer Science faculty from B V Raju College is committed to fostering ongoing learning opportunities and looks forward to future collaborations with Smt. B Seetha Polytechnic College.

Report

Introduction

On 17th February 2024, the department of English, B.V.Raju College, SVES, Bhimavaram, held a one-day workshop titled Environment and Literature for the degree students. The workshop featured eminent speakers named Prof. Kotti Sree Ramesh, Dean and CDC of Adikavi Nannaya University, Rajamahendravaram, served as first keynote speaker, and Prof. K. Sirisha Sangamithra, GIET University, Rajamahendravaram, served as second keynote speaker.

Inaugural speech

The event commenced with the invocation of blessings of B.V.Raju garu, the founder chairman of B.V.Raju foundation and Sri Vishnu Educational Society, Bhimavarm. In honor of him, a symbolic lighting ceremony and floral tributes were offered to him. Followed that, Dr. I. R.K.Raju, Principal of B.V.Raju College addressed the students community, who filled the auditorium, with his impressive and warm welcoming words with regard to the designed workshop.

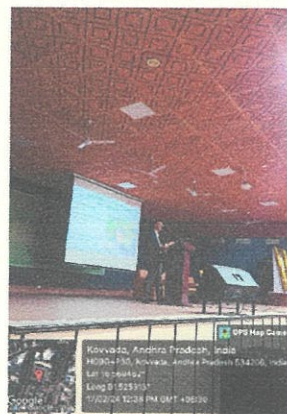

Prof. Kotti Sree Ramesh

Prof. Kotti Sree Ramesh, whose research interests include Postcolonial Literature, African, African American Literature, and Environmental Literature, delivered a thought provoking and impressive lecture on the subject of Environment and Literature and educated every student with the significance of care for environment in our lives through his presentation. To commence his lecture, he, at first, outlined the prominent significance in between environment and literature. Subsequently, he elucidated and elaborated in detail his presentation, alluding real life exemplifications and applications to all the students. During his talk, he emphasized that it is obligatory that the human kind should shield the nature from destruction happened by selfishness.

He predominantly focused on the following issues in his presentation.

- Environmental consciousness
- Climate Crisis and Human response
- The power of images
- Kolleru: Lake to Fish Ponds to Wet Land/Lake
- Godavari Bioregion and literary texts
- Cultural Texts: Bioregionalism & Reverence to Nature
- Cultural texts foregrounding Indian Agrarian Values and Life
- Reviving Rivers: Shri Rajendra Singh (Water Man of India)

Overall, the presentation covered all the topics ranging from the local context of Kolleru lake to larger issues like climate change. He also emphasized that the role of literature plays an important role in shaping environmental perspectives.

Prof. K. Sirisha Sangamithra

Following the first session, Prof. K. Sirisha Sangamithra delivered her talk, initiating her session with singing a song from a famous movie in English to make the students bring their concentration back to the lectures. It was to enable them to acknowledge to learn language skills through Listening to Music, Watching Movies and TV Shows, Reading Subtitles, Podcasts and Audiobooks, Interactive Language Apps and Games, Reading Books and Newspapers. Subsequently, she elaborated her presentation in detail, alluding various illustrations and getting students immersed in the speech.

She stressed that learning English through those platforms can be a fun and effective way to enhance language skills.

Watching movies and TV shows develops listening skills and helps to acquire much vocabulary that is crucial for effective communication in all ways.

Subtitles help to develop reading skills and cognizance of grammar for effective spoken and written communication.

Listening to music improves pronunciation, intonation and fluency.

Podcasts and Audiobooks enhances listening comprehension.

Overall, English language learning skills can be obtained through all the platforms. The prominent element is to have consistency in learning activity.

Felicitation

Following the speeches, in recognition of their invaluable contributions in motivating the students to embrace the responsibility to take care of the environment that is a key for happiness, peace and ease, both the speakers were felicitated and honored.

Drama performances

Following speeches, Drama performances titled “The Golden Bread”, “Twelfth Night”, and “Pirates of the Caribbean” by students were enacted on the dais. Acknowledging the talent and abilities, they extended their appreciation for the students that have a liking for literature.

Prize distribution ceremony

subsequently, the department of English arranged prize distribution ceremony regarding the English club activities held to improve the communication skills. Prize distribution to the winners occurred from the hands of the speakers. Winners of the activities felt so happy to be awarded from the hands of the guests.

Vote of thanks

In the conclusion, Sri.Ch.S.V.Satyanarayana, Vice-Principal, expressed gratitude and extended his appreciation, on behalf of B.V.Raju College, to the both speakers for graciously accepting the invitation and for the commendable and thought provoking talks. The event concluded with a heartfelt vote of thanks, leaving a lasting impression on all attendees.

Conclusion

During the whole session, the students stayed connected to comprehensible voices of speakers and felt educated to the fullest about the care for environment from the first session and about how to learn English easily with the help of various methods Podcast, Subtitles, Listening to music, etc. They made a remarkable mark on the tablet of the hearts of the students with their way of presentation.

STUDENT FEEDBACK FORM

WORKSHOP on ENVIRONMENT AND LITERATURE

Date: 17-02-2024

1. How would you rate the session: 1 2 3 4 5 ✓
2. Are you satisfied with the performance of the Resource Person: YES/NO ✓
3. What were your major takeaways. English Song
4. Overall, how do you rate the program you attended in terms of usefulness and effectiveness. Very usefull for a student.
5. Do you feel that you received value from attending the workshop?
yes.
6. What topics would you like to see covered in future workshops?
Interview tips for placements
7. Suggestions / comments (if any):
we hope you conduct more workshops like this

A SESSION ON TOEFL & GRE

(EVERYTHING YOU NEED TO KNOW ABOUT TOEFL AND GRE)

11 AUGUST 2023

Conducted To
II MCA

KEYNOTE SPEAKER
BHARAT KARRA

**B.V.RAJU COLLEGE, SVES,
VISHNUPUR, BHIMAVARAM**

PROGRAM DETAILS

Subject	A session on TOEFL and GRE
Objective	To make the students to know about how to crack an admission for higher education in western countries like US, UK and LONDON and be aware of the ins and outs of TOEFL and GRE tests.
Date	11-08-2023
Time	10:00 am to 12:00 pm
Place	MCA SEMINAR HALL B.V.Raju College
Mode of conduction	Offline
Participants	MCA final year students
Conducted by	B.V.Raju College
Supported by	ENGLISH Department
Supervised by	I.R.K.Raju, Principal of BVRC Ch. S.V.Satyanarayana, Vice-Principal of BVRC

REPORT

On 11 August 2023, B.V.Raju College, which is proponent of student welfare, career and their growth, organized an awareness program with respect to TOEFL and GRE tests and its prominence for every student to crack an admission for higher education in western countries universities to MCA students. To make the students cognizant of ins and outs of these two tests, a keynote speaker, Bharat Karra from ETS was invited to the college. He ignited all the minds with the light of how to crack and succeed in getting admission.

B.V.RAJU COLLEGE

brings you a seminar on
**EVERYTHING YOU NEED TO KNOW ABOUT
TOEFL & GRE**

Points to be discussed:

- Overview of TOEFL and GRE
- Acceptance of the tests
- Upcoming enhancements in GRE and TOEFL
- Preparatory Resources for test takers
- Exclusive discount code
- Q & A

KEYNOTE SPEAKER
BHARAT KARRA

Venue : **MCA Seminar Hall**, B.V.Raju College

Time : **11th August 2023**, FRIDAY

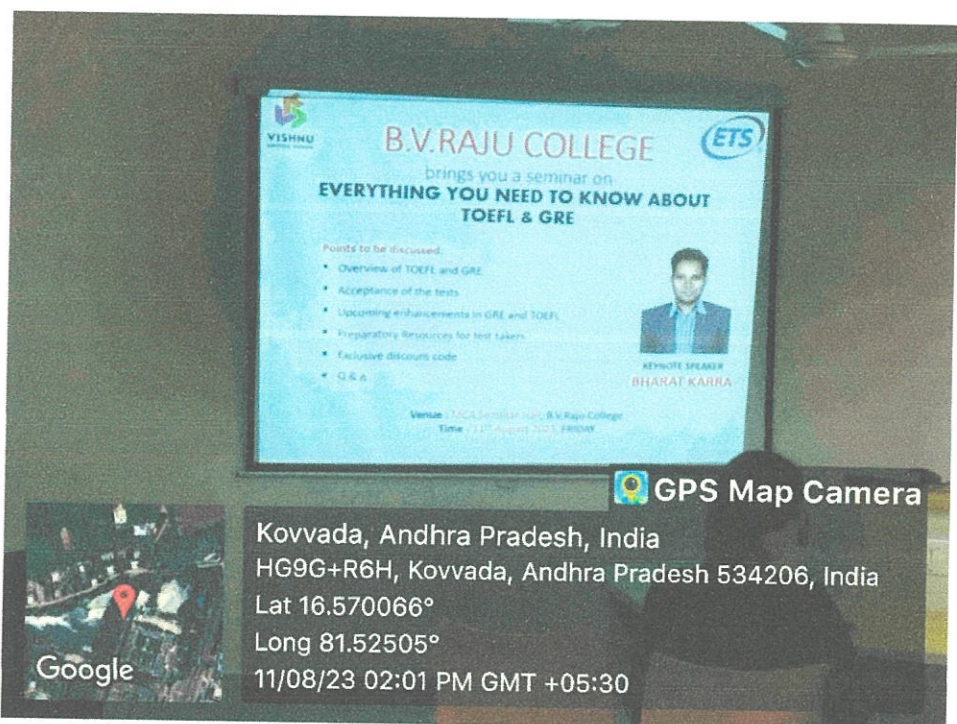

In the current world, it is common for the students, especially Indians, to go for higher education in the western countries like US, CANADA, UK and others. For many, it is a long-cherished dream. Some students can find out all the opportunities and ways regarding the aspirations for higher education they want to pursue, but for some, who have a predisposition for the higher education, not acknowledging any ways to fulfill their goals, it is to some extent a bit difficult. Counting all these things, B.V.Raju College, organized an awareness program

about TOEFL and GRE with a name “Everything you need to know about TOEFL and GRE.” Its main objective is to provide the students with the necessary details so that they can be cognizant of ins and outs and act upon accordingly to attend to their goals.

If a student, who has a penchant for higher education, is from a non-English speaking nation, he/she has to encounter the GRE and TOEFL. The GRE is a graduate level exam that examines student’s graduation course work where as TOEFL is an English language test that checks one’s English language skills that are obligatory for an aspirant. Both tests are recognized and globally accepted.

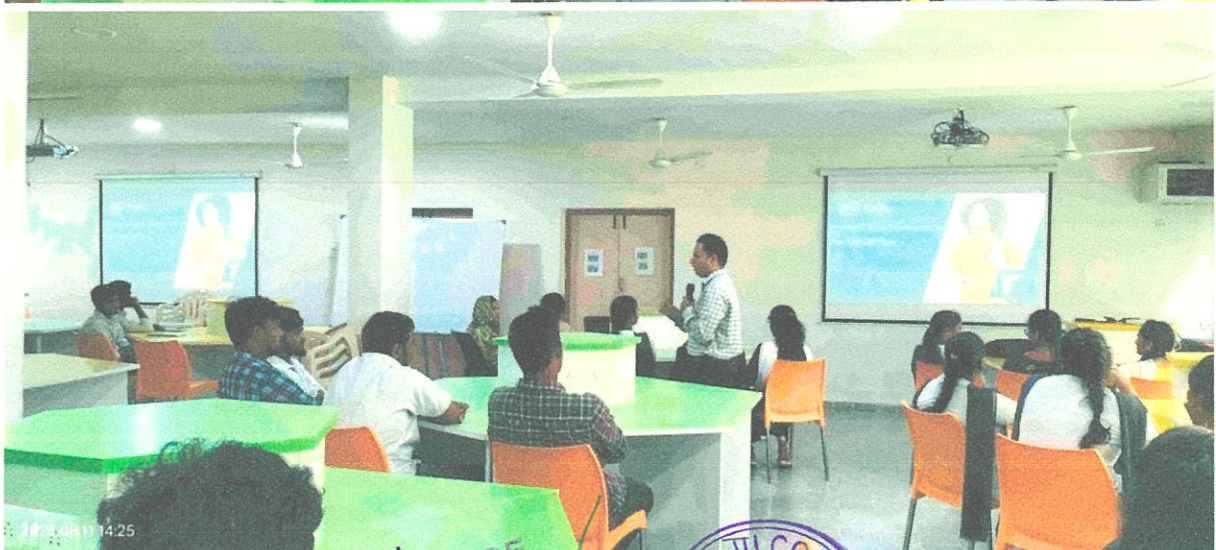

These GRE and TOEFL tests are required to enroll for universities offering study abroad programmes. Passing any one of them is not sufficient; one should pass both tests to be eligible for admission to universities abroad.

These test scores help the officials in your profile evaluation and also assess the knowledge you have gained in previous studies. Furthermore, the examining committee also takes GRE and

TOEFL scores into account while granting financial help or merit-based scholarships in the top colleges across the world. The GRE exam is typically taken by students planning to pursue graduate studies, whereas the TOEFL test is taken by non-native English speakers aiming to study at English-speaking institutions.

The speaker elaborated every point in detail and clarified all the doubts aroused in the minds of the students spending considerable amount of time with patience. Students got involved with great zest in the interactive session and clarified their doubts.

ONE DAY NATIONAL LEVEL SEMINAR ON BREAST CANCER

“THE BEAUTY YET THE UGLY WITHIN”

SUMMARY

In today's world, most of the women are suffering from breast cancer. It is because lack of cognizance of what it is. The objective of this seminar is to develop a cognizance on the breast cancer. Breast cancer is the malignance among the women globally. One in 23 women is likely to develop breast cancer during her lifetime. In urban areas, it is 1 in 22 and in rural it is 1 in 60 in case of India. As of the records in 1990, India stood at 4th place.

Important points from Prof. M. Brahmanandam:

"Prof. M. Brahmanandam has shared his experiences and his work regarding breast cancer, on which he is currently working." He has a research going on regarding breast cancer and its aspects. He has shared the symptoms, causes, treatment and other key issues regarding breast cancer. While Speaking about breast cancer he has explained few reasons of why women are affected with breast cancer which includes mutations, genetics, age, lifestyle, diabetes, tobacco consumption etc.

He has displayed a statistical graph which shows about ages in which women are prone to breast cancer. There was also another statistical graph which shows in which years what medicines were invented. Medicines like "Tamoxifen" in the year 1973, "Anastrozole" in 1995, "Letrozole" in 1997 and the recent one is "Fulvestrant" in the year 2002 were discovered by the scientists.

He also shared few techniques on how to check the symptoms of breast cancer. Symptoms include changes in weight, formation of tissue masses near the breasts etc. In his presentation he explained about the regulators in the mammary gland development. In this, the stages in which the development follows is discussed, which involves stages from embryonic, pre - puberty, puberty, virgin, pregnancy and lactation.

In these stages, the ductal growth starts at the time of puberty, and increases to its maximum growth during the pregnancy. In his presentation, he has shared about Angelina jolie, an American actress who has undergone the knife to remove her breasts in order to prevent the affect of breast cancer which is in her genetic lineage. He also shared about the reasons why cancer can re-occur. This includes metastasis, tumor relapse and chemo or radio resistance. He also discussed about clonal evolution which shows about the genetic and epigenetic changes that occur over a period of time in individual cancer cells. Professor also shared about few techniques that can help in self examination for breast cancer.

Professor M. Ramarao:

Professor Rama rao garu is currently working on triple negative breast cancer. He discussed about the key factors regarding the self examination of breast cancer, its effects, symptoms, treatment etc. He explained that triple negative breast cancer is the most vulnerable type of cancer with highest mortality rate. He also shared about few slides about the growth stages of cancer. There are 4 stages of cancer. In the early stage, the tumor is just formed. There will be no spread to lymphnodes or other tissues. This is also called as “localized cancer”. The next stage involves the effect spreading to nearby tissue and the mass will be grown in size and is spread to the nearby lymphnodes. In the third stage “regional spread” will occur, where the cancer is affected to the more of the surrounding tissues which spreads to distant lymphnodes away from the mass. The final stage is called as “distant stage” where the cancer spreads to the tissues and organs beyond the region of origin.

Professor has also discussed about metastasis which is phenomena where a small cancer cell translocates from one place of the body i.e; from the place of origin to another tissues that are distant. He also shared slides to explain high probability of occurrence of cancer in 50-60 age group of women.
