Organised by

Department of Chemistry

VENUE

COLLOQUIUM

Date :- 23.02.2024 & Time :- 10:30 am to 12 PM

On the occasion of National Science Day, Department of Chemistry (UG) organized a workshop on Cheminformatics Certificate Course. In this regard we have invited Sr.Principal Scientist namely Dr.B.China Raju & Principal Scientist P.Anil Kumar garu, from IICT-HYD. They delivered an inspiring presentation on “Importance of Skill Development Courses of IICT-HYD & Research Activites, New Research Trends in Chemistry” to the students of chemistry who are with intense desire for extensive knowledge. It was found that all students were wholly involved in the workshop. At the conclusion of the event, students interacted with the resource person, raised questions and got satisfactory answers for their queries pertaining to goals. On the whole, they were greatly pleased with the presentation which was informative and extemporer oration.

EVENT SUMMARY AND ACTION TAKEN REPORT

Poster Presentation on Commerce (7/12/2023)

Event Summary:

The Department of Commerce organized an inspiring Poster Presentation Event on December 7, 2023, exclusively for the first-year B.Com students. Head of the Department, Mr. D. Satyanarayana, played a pivotal role in overseeing and guiding the event.

Students were given diverse themes related to commerce, business ethics, and economic trends to showcase their creativity and understanding. The event witnessed a display of innovative ideas and artistic expressions as students used posters to convey complex business concepts and societal issues

I B.Com students designed creative posters on topics like e-commerce, globalization, and corporate social responsibility. The event aimed to combine artistic skills with subject knowledge. Posters were displayed in the commerce corridor, and a panel of judges evaluated them based on creativity, accuracy, and presentation.

Action Taken:

- Certificates were awarded for the best posters.
- Selected posters were displayed in the library for wider visibility.

1. How engaging was the role play on insurance promotion?
 - Very Engaging
 - Moderately Engaging
 - Not Engaging
2. Did the role play help you understand insurance promotion concepts?
 - Yes
 - Partially
 - No
3. How would you rate the creativity and performance of the participants?
 - Excellent
 - Good
 - Average
 - Poor
4. Was the role play activity interactive and thought-provoking?
 - Yes
 - Somewhat
 - No
5. Any suggestions to improve similar activities in the future?

EVENT SUMMARY AND ACTION TAKEN REPORT

Peer Seminar on Shares (10/7/2023)

Event Summary:

The Department Of Commerce conducted a Seminar on Valuation of Shares for Final B.com students on 10/07/2023 to evaluate the performance of students on the topics covered so far. The students presented the topics given on charts and many of the students initiatively came forward to explain the topics they have prepared. The activity got organized under the guidance of D.Satyanarayana,HOD, Department Of Commerce and N.D.Someswara Rao, Associate Professor, Department of Commerce.

This seminar allowed I B.Com students to present their understanding of shares and the stock market. Participants were divided into groups, with each group presenting on a specific topic, such as types of shares, benefits of investing, and risk management strategies. Faculty members evaluated the presentations and provided constructive feedback. The seminar fostered peer learning and improved students' presentation and research skills.

Action Taken:

- Feedback on presentation style and content was shared with participants.
- Students were encouraged to attend professional webinars and stock market events for additional exposure.

VISIT TO VISHNU DENTAL COLLEGE

Our Lifesciences Department I year students visited Histopathology and Anatomy & Physiology Labs in Vishnu Dental College on 28th August, 2023.

In Histopathology Laboratories, our students observed and gained knowledge on Sample collection process, Microtome methods and Different microscopic techniques.

In Anatomy and Physiology Lab, students observed and gained knowledge on Human Skeletal System and also various organ systems. Dr, Amarnath Sir explained in detail about Human Skeletal System and Organ Systems to our students.

Our I year Lifesciences students visited Sewage Treatment Plant located in our campus on 28th August, 2023 and gained knowledge on Sewage Treatment Process.

Group Seminar on Youth in Politics (14/11/2023)

Event Summary:

On the eve of Children's Day, November 14, 2023, the Department of Commerce hosted a thought-provoking Group Seminar for the third-year B.Com students. Assistant Professor P. Syamala Deepthi led the seminar, delving into the crucial topic of "Youth In Politics."

The seminar explored the challenges faced by young individuals entering politics and highlighted the opportunities for positive change and impact. Real-world case studies and examples were discussed, illustrating instances where youth engagement in politics led to significant societal transformations.

II B.Com students conducted a seminar exploring the role of youth in politics. Topics included youth activism, the importance of voting, and challenges faced by young leaders. Each group presented a 10-minute discussion, followed by an open-floor Q&A session. Faculty members provided insights to enrich the discussion.

Action Taken:

- Students were encouraged to participate in civic engagement activities.
- The session inspired students to organize a voter awareness drive on campus.
