ALUMNI INTERACTION

Alumni Interaction on Careers in Banking (01/03/2024)

Event Summary:

Alumni P.Durga Sai,AULMNI shared their experiences in the banking sector, discussing career growth, required skills, and emerging trends. The session highlighted career opportunities in the banking and financial sectors. the lecture by stating that India is gradually becoming the third-largest economy in the world, and provided details on the differences in the size of global economies. Representing an industry that has significantly contributed to national wealth creation, Mr. Sai emphasized that the banking sector is the most regulated in the world. He noted that 75% of the banking business is managed by just eight banks, and that with reduced interest margins, banks are increasingly focusing on customer retention. Additionally, he pointed out that the sector is now looking for talents with technological and market-smart skills. For future bankers, Mr. Khan advised understanding the banking model and identifying the jobs in demand. He highlighted recruitment patterns, required skill sets, and certifications, urging students to acquire these skills in the coming months to become industry-ready. Students gained valuable insights into how to prepare for banking exams and interviews.

ALUMNI INTERACTION

Alumni of M.Sc. Organic chemistry (batch: 2020-22) **Mr. K. Subrahmanyam**, Associate 2 (Wet lab, Raw materials), Laurus Labs lmt., Parawada, Vishakapatnam; **Mr. K. Ramireddy**, Associate 2 (Quality Assurance) Laurus Labs lmt., Parawada, Vishakapatnam; **Mr. P. Mahesh Sai**, Associate 2, Laurus Labs lmt., Parawada, Vishakapatnam (Wet lab, inprocess) and **S. Santhi**, Senior Research Associate, Aragen life Sciences, Mallapur, Hyderabad interacted with II M.Sc. Analytical Chemistry students on 01-11-2024.

They Explained about different Departments in the laboratory , especially about Research and Development, Quality control and Quality Assurance departments where they are currently working. They shared their experiences & explained about the Schemes that they are doing in the laboratory. They suggested the students to concentrate more on named reactions, spectroscopy & Chromatography techniques. They also mentioned about the importance of Ph.D. and motivated the students towards CSIR–UGC NET. The session was highly informative and engaging.

Alumni Interaction

The following II M.Sc. Analytical Chemistry students attended for the **Alumni Interaction** which was held on 01-11-2025.

ALUMNI INTERACTION

On 22nd February 2025, an insightful Alumni Interaction session was held for the I MCA students, featuring two esteemed alumni, Mr. B. Lakshman, a DevOps Engineer at UST Bangalore, and Mr. Sharuk, a DotNet Developer at Spritle Software, Singapore. The session focused on programming methodologies, where the alumni shared their professional journeys and the various approaches to software development that have shaped their careers. Mr. Lakshman delved into the significance of DevOps in modern software development, emphasizing collaboration, automation, and continuous integration, while Mr. Sharuk highlighted the importance of .NET technologies in creating scalable and efficient applications. The students were provided with valuable insights into the current industry trends and best practices, which helped bridge the gap between academic learning and real-world software development. The interaction was a great opportunity for the students to learn directly from experienced professionals and gain a deeper understanding of the evolving programming methodologies.

ALUMNI INTERACTION

On 17th February 2025, a technical talk on "**Problem Solving Skills**" was organized for the first-year MCA students, featuring Mr. Prasad Babu, a distinguished alumnus from the 2005 batch. Currently serving as an Associate Manager – Application Delivery at DXC Technologies, Canada, Mr. Prasad Babu shared his vast industry experience and deep insights into the importance of analytical thinking and structured approaches to problem-solving in the IT sector. He discussed real-world scenarios, project challenges, and effective strategies to tackle complex technical issues. The session was highly engaging and motivational, encouraging students to develop a problem-solving mindset early in their academic journey. It provided them with a practical understanding of how these essential skills are applied in professional environments, helping to build a strong foundation for their future careers in technology.

ALUMNI MEET

As part of the Silver Jubilee celebrations, B.V. Raju College organized a grand Alumni Meet on December 14, 2024, bringing together former students from all batches spanning 1999 to 2024. The event served as a heartfelt reunion, allowing alumni to reconnect with their peers, faculty, and cherished memories of their college days. It was a joyous occasion filled with inspiring stories, and reflections on personal and professional journeys since graduation. The meet also provided a platform to strengthen the bond between past and present students, fostering a sense of pride and belonging within the B.V. Raju College community.
