

GUEST LECTURE

Department of commerce, B.V.RAJU college, conducted a guest lecture on 15-07-2018 for the students of second B.COM. the speaker was Dr.K.Pavan, Prof.management studies,Vishnu institute of technology , gave his lecturer in the context of risk management and compliance the **process of identifying, assessing and controlling threats to an organization's capital and earnings**. These risks stem from a variety of sources including financial uncertainties, legal liabilities, technology issues, strategic management errors, accidents and natural disasters approach for this is provided by separating financial risk into four broad categories: **market risk, credit risk, liquidity risk, and operational risk**. He discussed the topics in a detailed manner as much as he can and made the students very keen to listen as the content is so new and interesting. Our sincerer thanks to pavan garu for making his lecture more thoughtful with his deeper explanation of things..
