A report on the Guest lecture on "Phonetics and Communication Skills" organised on 02-12-2019.

On 02 December 2019, a workshop was organised on the topic "Communication Skills" at B.V.Raju College. Dr.Ch.V.Srinivas, the Principal and President of the meeting inaugurated program with his motivational words and handed over the mike to the chief guest to deliver his lecture. The resource person Dr. K Ram Chandra started his lecture by explaining all the differences of our Indian variety of English pronunciation and to the standard pronunciation of the natives of America and British. Later he explained International Phonetic Alphabet clearly and given a vast variety of examples to clear ambiguity in monophthongs and diphthongs. He suggested the students those who have poor pronunciation skills to focus on open reading for few weeks and watch the videos of native speakers to enhance their pronunciation.

In the afternoon session which is specified to the faculty member was a great success as the entire faculty enjoyed and appreciated his explanatory skills and the points, he mentioned to upskill in teaching profession. Finally, the lecture was ended in a good round of applause from the participants and ended with a heartfelt vote of thanks.
