B V RAJU COLLEGE
VISHNUPUR :: BHIMAVARAM
A Two-Day Workshop
IEEE EDU-EMERGE
(Learn and Explore Emerging Tech)
19th & 20th JAN 2024

The two-day workshop "IEEE EDU-EMERGE" hosted by the Department of Computer Science at B V Raju College, organized by the IEEE Education Society YOUNG PROFESSIONALS Adhoc Committee, was designed to offer an immersive learning experience for B.Sc and B.Com Computer Science students. The event aimed to bridge the gap between theoretical knowledge and practical application, preparing students for the dynamic landscape of the tech industry.

Inauguration:

The workshop was inaugurated by Dr. I R Krishnam Raju, Principal of B V Raju College and Mr. Ch S V Satyanarayana, Vice- Principal of B V Raju College. They introduced the resource persons for the sessions. This set the tone for an enriching and educational experience for the participants.

Session Highlights:

Day 1: Session 1 - Talk on Art of Writing & Personal Branding

Session taken by Ms. Ayisha E. A, Operations Engineer, APAR Concept FZ LLC, Dubai, UAE. focused on enhancing students' skills in effective writing and building a personal brand.

Day 1: Session 2 - Data Analytics & Visualization

Session taken by Mr. Vyasan, Google Certified Business Intelligence & Data Analytics Professional, provided insights into data analytics techniques and visualization tools.

Day 2: Session 1 - Hands-on Workshop on UI & UX

- Session taken by Ms. Surabhi, ML Data Associate, Amazon, Provided practical experiences in User Interface (UI) and User Experience (UX) design.

Day 2: Session 2 –Session on Beyond the Text Book (PBL)

Session taken by Ms. Lingolo Sony, L1 Analyst Support, Accolite Digital, focused on practical problem-solving techniques beyond traditional textbooks.

Session on Resume Building

Session taken by Ms. Ayisha E. A, Operations Engineer, APAR Concept FZ LLC, Dubai, UAE, aimed at helping students craft effective resumes for future career opportunities.

Valedictory Session and Certificate Distribution:

The workshop concluded with a valedictory session where participants were acknowledged for their active involvement. Certificates were distributed to recognize and appreciate their participation in the workshop.

Conclusion

The IEEE EDU-EMERGE workshop provided a platform for B.Sc Computer Science students to enhance their skills and gain practical insights into various aspects of the field. The diverse sessions, led by experienced professionals, contributed to the overall educational development of the participants. The event received positive feedback, highlighting its success in achieving its educational objectives. The Department of Computer Science looks forward to organizing more such workshops in the future to further enrich the learning experiences of its students.
