B VRAJU COLLEGE

VISHNUPUR :: BHIMAVARAM
**Department of Computer Science**
I BSc Club Activity

STUDENT NEWS LETTER FOR FIRST YEAR:

Through text, graphics, and other visual aids, a poster presentation gives research a visual representation. For I BSc students, the Computer Science Club hosted a poster presentation on the newest advancements in computer science.

In this regard, this program was launched at 10:00 AM on October 9, 2023, at the library of B V Raju College by Principal Dr. I. R. Krishnam Raju, Vice-Principal Mr. Ch. Satyanarayana, and Head of Computer Science Mr. R. Rama Rao. 95 students in all are actively taking part in this activity.

Mr. Y. Srinivasa Raju, Assistant Professor., and Ms. K. Raja Rajeswari, Assistant Professor., from department of MCA acted as judges for evaluating students presented posters on computer science latest technologies.

1. OBJECTIVES:

The main objectives of the Poster Presentation Activity are as follows:

Students' cognitive abilities will benefit from this practice, which also improves their presentation and communication skills. With the help of this activity, students can readily learn about the newest developments in computer science. It further demonstrates a student's latent abilities. Taking part in this activity will undoubtedly be beneficial to every student.

2. WINNERS LIST:

Based on the student's performance judges selected the following students as winners of Poster Presentation conducted by Computer Science Club.

LIST OF WINNERS				
S.NO	**NAME OF THE STUDENT**	**GROUP**	**BRANCH**	**PRIZE**
1	G Purna Shalini	I B.Sc	Data Science	First
2	B Naga Sri , D Sai Lavanya	I B.Sc	CS-A	First
3	G Rohith, M Vamsi Krishna	I BCA	BCA	Second
4	V Harshitha, B Sriya	I BCA	BCA	Second
5	M Bhargavi, V Prasanna	I B.Sc	Statistics	Third
6	P L N Pravallika	I B.Sc	CS-C	Third
