EVENT:

FIXATHON

DATE: 31-07-2025

B V RAJU COLLEGE (A)
VISHNUPUR, BHIMAVARAM
CIRCULAR

Date: 29-07-2025

All the III B.Sc. Computer Science, DataScience, B.Sc(Maths,Statistics,Physics,Chemistry) and BCA students are hereby informed that the **Department of Computer Science**, under the banner of the **Computer Science Club**, is organizing an academic event titled:

"FIXATHON"

This event aims to test your **Technical Knowledge, Debugging Skills** and **Problem-Solving abilities** through an engaging and competitive bug-hunt challenge.

Event Date: 31-07-2025 (Thursday)

Time: 2:00 PM

Eligible Participants: All students of III B.Sc. (Computer Science, Data Science), B.Sc(Maths,Statistics,Physics,Chemistry) and BCA.

Event Structure

Fixathon Rounds

Round 1:

- Participants will debug a set of faulty code snippets.
- The shortlisted Students will be forwarded to Round 2 based on accuracy and speed.

Round 2:

- A second, more challenging bug-fix round.
- **Top 3 students** will be declared as winners.

Awards & Recognition

- **Prizes and Certificates** for the **Top 3 Winners**
- **Participation Certificates** for all participated candidates

All eligible students are encouraged to **register and actively participate** in this academic challenge.

For registrations and queries, contact:

Faculty Coordinator: G.Ganga Bhavani, Assistant Professor

EVENT: FIXATHON

CLUB NAME: COMPUTER SCIENCE CLUB

CONDUCTED TO: III B.Sc & BCA

EVENT OBJECTIVE:

To collaboratively identify, troubleshoot, and resolve existing bugs, technical issues, or inefficiencies in software, systems, or processes within a set timeframe—enhancing product stability, improving code quality, and fostering a culture of collaboration, learning, and continuous improvement among participants. The primary objective of **FIXATHON** is to cultivate a dynamic learning environment where students can Presentation round. This event is meticulously designed to challenge participants' logical reasoning, algorithmic thinking, and adaptability in handling real-time coding scenarios.

The primary objective of **FIXATHON** is to cultivate a dynamic learning environment where students can Presentation round. This event is meticulously designed to challenge participants' logical reasoning, algorithmic thinking, and adaptability in handling real-time coding scenarios.

- Encourage knowledge sharing and collaboration across diverse domains.
- Promote innovation and creativity in presenting research and project findings.
- Enhance participants' communication and presentation skills in a digital environment.
- Foster networking opportunities among academia, industry, and aspiring innovators.
- Recognize and reward outstanding contributions that demonstrate originality, relevance, and impact.

COMPUTER SCIENCE CLUB-FIXATHON

Event Date Time & Location

Inauguration & Welcome Note:

It gives me immense pleasure to welcome you all to this exciting and vibrant technical event — FIXATHON, organized by the Department of Computer Science, B V Raju College.

Today is not just an event; it's a journey where logic meets creativity, and code becomes a powerful language of innovation. We are here to witness a fierce yet friendly battle of minds, where students will showcase their coding, debugging, and problem-solving skills.

We are honored to have with us our respected **Principal Sir, Vice Principal Sir, and Heads of Departments**, whose constant encouragement has made this event possible. Their visionary words will surely inspire every participant to push their boundaries and perform their best.

On behalf of the organizing team, I extend a warm welcome to all the participants, faculty members, and audience members. Wishing you all the very best for the event. Let the **FIXATHON** begin!

The respected Principal sir warmly encouraged all the students to actively participate in the Fixathon event. He emphasized the significance of such initiatives in developing practical skills and nurturing a problem-solving mindset among students. Recognizing the fast-paced advancements in technology, he highlighted how events like Fixathon provide an excellent platform for students to apply their coding knowledge in real-world scenarios, collaborate with peers, and gain valuable hands-on experience.

Students actively participated in the Fixathon event and debugging their coding challenges.

CONSOLATION:

CONCLUSION:

Respected Principal Sir, Vice Principal Sir, and HOD Sir graciously encouraged and congratulated the winners of the Fixathon event. They acknowledged the hard work, creativity, and dedication demonstrated by the participants throughout the competition. Their presence and kind words motivated everyone to continue striving for excellence and innovation in the field of technology.

To honor the outstanding performance of the winners, they presented them with special gifts as a token of appreciation and recognition. This gesture not only celebrated the success of the top performers but also inspired all participants to remain passionate and committed to their learning journey. The encouragement from the leadership strengthened the spirit of healthy competition and collaboration within the event.
