Name of the activity: **Poetry writing activity**

Because practicing poetry writing enhances written communication skills that are more prominent for a student, we have planned to conduct it.

1. Poetry writing helps to know rhythm and rhyming that is a heartbeat of a poem.
2. It can enhance descriptive vocabulary.
3. This practice makes them develop figurative language.
4. It improves usage of grammar skills effectively.

MY COLLEGE

It is my college

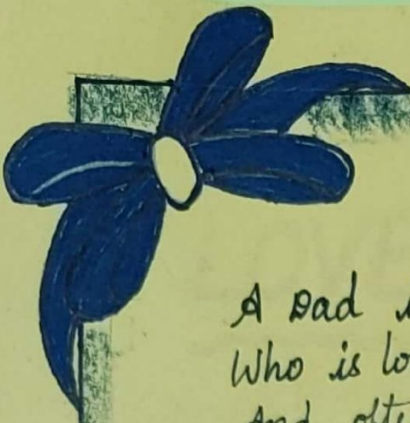

Where we see a place of light, liberty and learning,
It has all infrastructure facilities,
Teaching faculty is excellent and marvellous,
The Ambience here is Very pleasant.

It gives us Education,
and provides more information,
We have six Periods in a day,
And lot of games and fields to play.

Students here has to workhard,
to get a good marks Card,
Students here donot Scream,
But work together as a team.

This is like a ocean of Knowledge,
which encourages us to learn new things,
And shows route to the Success,
It is my college - "THE VISHNU"

What is Dad

A Dad is a person
Who is loving and kind,
And often he knows
What you have on your mind.

He's someone who listens,
suggests, and defends
A dad can be one
of your very best friends!

He's proud of your triumphs
but when things go wrong
A dad can be patient
And helpful and strong

In all that you do,
a dad's love plays a part
There's always a place for him
deep in your heart.

And Each year that passes
you're Even more glad,
More grateful and proud
Just to call him your dad!

Thank you, Dad.
for listening and caring
for giving and sharing
but, especially, for Just being you!

THE THREE REAL HERO'S

The one who fight with nature.
To kill the empty stomach of our country.
The one who did the work,
without expecting the result.
without farmer the future will be STONY.
our culture is Agriculture
so we have to "save our culture"

The person who stands before the death.
to save us and protect us.

Leaving his family and,
doing his "work as worship"

The person who serve's the nation untill the,
last breath to protect our 'motherland'

The person with a lot of courage and,
'love' towards the country

Even in a critical situation who treat us,
like their children and save us.
keeping their live in danger.

They not only giving us a treatment,
they are giving us a newlife.

The person is a 'doctor'

These three persons in every situation

THINK FOR US

WORK FOR US

LIVE FOR US

DON'T QUIT

Never quit. Set A Goal
And Don't quit until you attain it.
When you do attain it, set another goal,
AND don't quit until you reach it.

When someone tells you that
you can't do something, perhaps
you should consider that they are
only telling you what they can't do.

Don't be a slave, Be Brave.
Don't let your loyalty become
slavery. Life is beauty, admire it
and it is an adventure, dare it.

Life is full with ups and downs.
The trick is to enjoy the good
times and to have the courage
to go through the bad ones.

"If you think you'll can't do, you can't
If you think you'll lose, you're lost,"
Build yourself wings, and fly
Till you finally wear the shiny crown.
