POETRY WRITING

Writing is a productive skill. For today's employee at an office, writing skills are essential. Undoubtedly, the way we convey our messages, ideas and thoughts decide the career growth of the professionals. Today's students are tomorrow's employees. As a result, we initiated Poetry writing to the students. It enhances vocabulary building, grammar skills, punctuation development and sentence structure. In this process, students were asked to narrate a poem on their own only to enhance required language skills.

PRIZE DISTRIBUTION

The process of writing poetry can build vocabulary. Individuals will learn how to incorporate new words when writing and understand their meanings. Poetry writing will expose individuals to literary devices such as alliteration, metaphors and personification. Their writing skills will improve and writing essays, reports and emails in the future will become easier. Poetry can also be performed live, also known as a poetry slam. Public speaking skills can be improved as well through performing. Poetry writing helps to know rhythm and rhyming that is a heartbeat of a poem.

It can enhance descriptive vocabulary.

It enriches language skills.

This practice makes them develop figurative language.

It improves usage of grammar skills effectively.

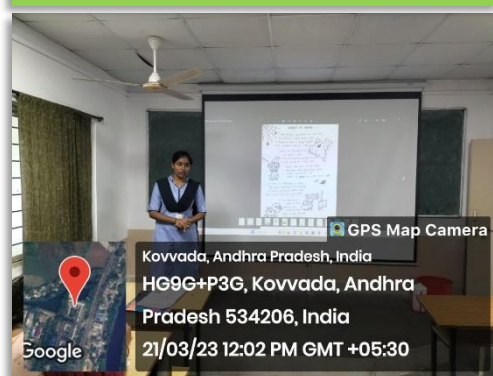

It develops a taste for literature in them.

It develops the imagination in them.

It enhances aesthetic sense of the students.

Because there are above benefits for the students, poetry writing activity was held for degree first year students on the occasion of World Poetry day 21 March 2023.

PPT PRESENTATION

Students who are interested in writing skills improvement, immediately after the announcement of poetry writing activity, around 16 members came forward to narrate poems on their own. They chose different areas to narrate the poem. The imagination they put in the poem got vitality to theme of the poem they selected. In this regard, they were given some time in advance for effective delivery of the poem. They narrated all the poems with curiosity. The below are some of the poems narrated by students.

"KNOW YOURSELF"

In this journey of life,
 Every step I take, should accompany me
 Every word I take, should be true
 Every thought I take, should be important
 Every thing I do, should influence my passion

I need to know why I was born,
 Because birth is the greatest gift.
 I need to know why I should be unique,
 Because uniqueness creates impacts.
 I need to know why I should give respect,
 Because respect returns smiles.

Don't let the tears comes to sorrow,
 Let the sorrow comes to success.
 Don't let the difficulties down you,
 Let the difficulties know that, you too are difficult

This life is yours
 Live as you like...

You Are An Artist

We are all artists
 painting our lives upon
 The canvas of reality.
 Mix the colors your own way
 And apply emotion liberally
 Don't be afraid
 Let your brushstrokes show,
 And above all else
 Make sure your art has soul
 your art
 IS not about
 How many people
 like your work
 your art
 IS about
 If your heart likes your work
 your soul likes your work

CONFIDENCE

The power of confidence
 is a force that creates life
 it, comes from something greater
 than you, but not from you
 and confidence in you
 opens up a new world
 for success
 And, confidence is a
 battle, failure
 Love makes a man
 self confidence shapes a man
 Intellectual, studies a man
 So be a real man
 be prepared to face challenge
 As winning becomes the way of
 life.

GHOST IN HOME...

My favorite ghost haunts no one home
 It's only me, what's been done
 I shouldn't have a single ghost
 There shouldn't even be one
 What's the meaning? how
 My death is now
 I am on earth, everything is for
 I hope my soul is still here
 I don't know the story I see
 About the ghost house the clock
 I have a small box a burner
 My soul says there's no rest
 I heard my name when I was
 I don't know the story I see

I was always there
 when I found
 Don't say
 before I just see and
 I remember
 I have a cat

The Moon With....

Climbing moon is admired by everyone
Who likes to notice the nightfall sun
Shooting star satisfies everyone's
desire

As it realize the suffer of shatter.

I was busy admiring the nightly realm,
He was shown having the negative flaws.,
He had so much hate stored within him.
He willfully ignores the beauty of moon,
Decides to see the hidden darkness behind it.
I was shocked while on the otherhand intrigued,
What had made him so hateful towards life.,
It was like he wanted this way refusing to see the good side.

I pitied him. I was hurt. How could anyone hate,
The moon so much? Oor Nightly Guard!

MY HEART.

My Mother is the wonder of the world.

She gave me birth.

Lying in her lap, I don't need to fear.

She gives me strength and security

Life may come and life may go.

But I shall bow to her forever.

Oh! God bless me and make me useful to the world.

My Mother the greatest gift of life

She train me up into a man

With her knees on the altar she pray me out

My mother Prayers make me shine like sun.

Her space no one can occupy.

Her voice no one echo.

Her love no one can replace.

My sweet mother

She smiles when I am smile

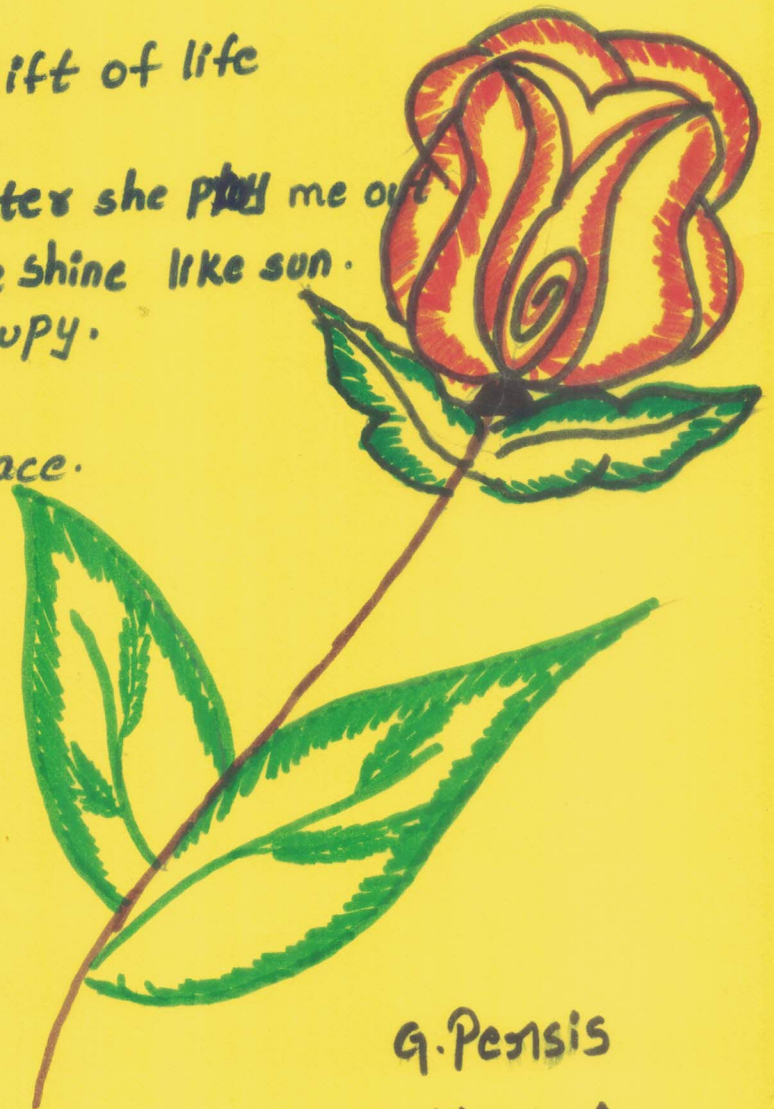

and cries when I cry

she only gives and gives

Smile

Smile is like a key,
To open everyone heart
Your smile can change the haters mind
Smile, hold your smile
It suits to you.
When you lost your smile
You lost your beauty.

Trust is just five letters word
But it takes years to build and grow
And seconds to break and mould
And forever to repair
Though it repairs,
We won't trust everytime and everyone
Because sugar and salt have same colour.

The sad times comes to stay,
For being sad all the day
You loss your happiness a day.

GHOST IN HOME...

My family's gone, there's no one home
It's only me, who's home alone
I shouldn't hear a single squeak
There shouldn't even be creak

What's the thumping I hear

My death is near

I am an adult Everything'll be fine

I told my self as I dial Nine

What's the knock on the door

My heart beats faster than before

I have checked the lock

Atleast the ghost knows to knock

I hear a crack then a break

My head says there's no mistake

I turned my music volume high

So I won't hear the way I die.

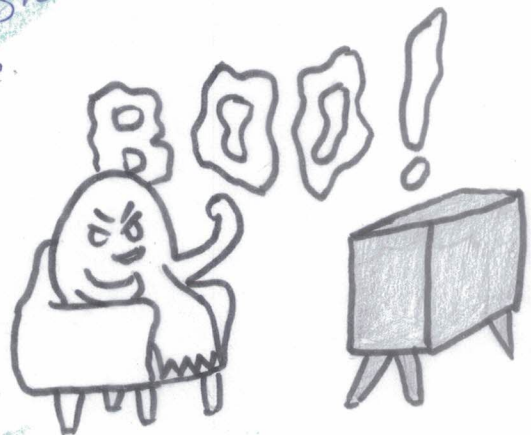

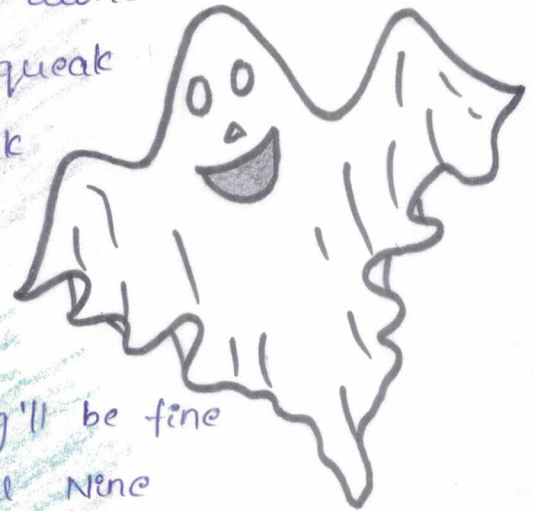

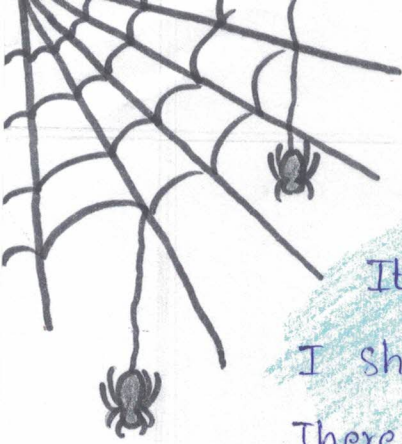

I run downstairs,
phone in hand

Over my face,
ready to land

Before I just did that

I remembered,

I have a cat

Journey of

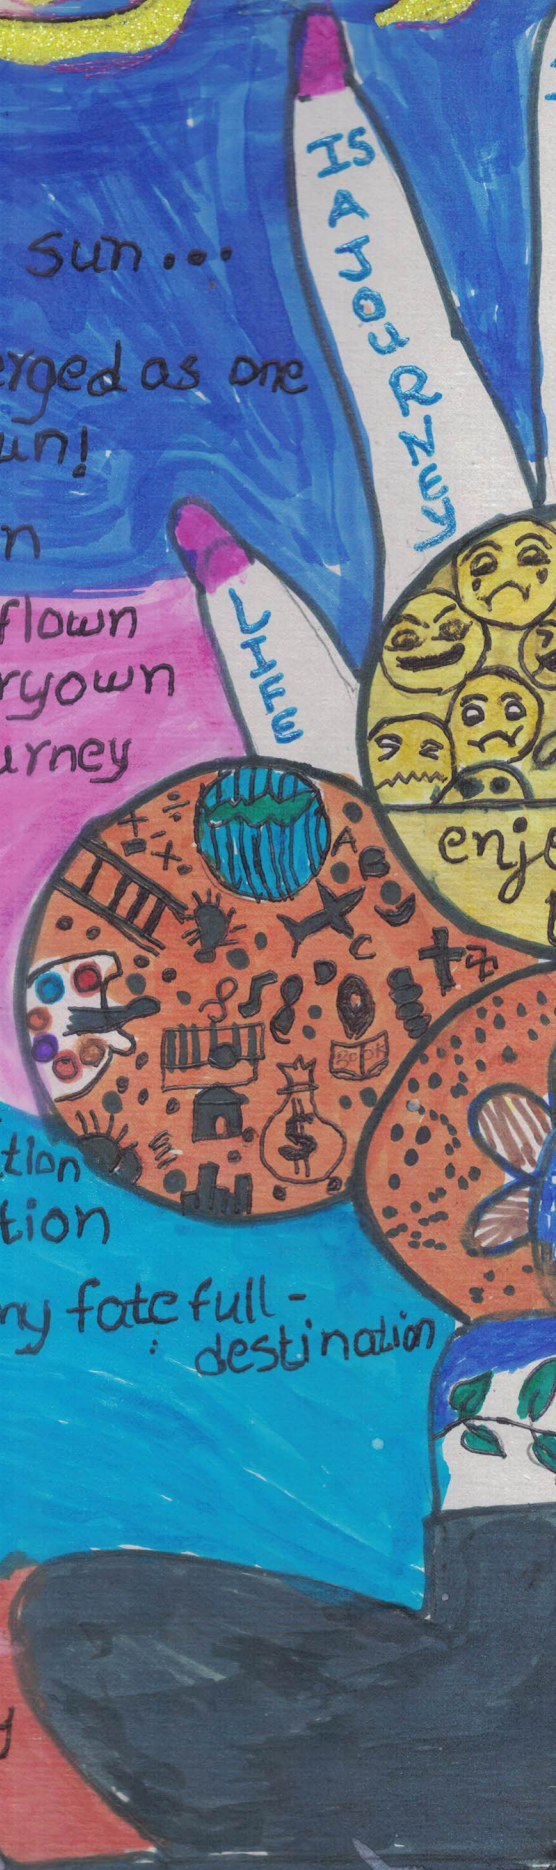

The journey of life begun...
That fateful day I was born...
My eyes opened up blissfully to Sun...
My soul, heart and brain emerged as one
Behold my journey had begun!

This little child in time has grown
Yes! Time has flown, time has flown
A lot has been learnt on my very own

Life has been a mystifying journey
With every up and down
With tears and laughter
With hate and love
With stupidity and wisdom
With enemies and friends

But even in my journey of frustration
I have found a means of celebration
In my toilsome exploration to my fate full-destination

Tick Tock, the clock goes on
Minute by minute then hourly
Month by month then yearly
Tick Tock, and in my journey

LIFE

I have searched, questioned and answered
whilst walking painfully along many paths
some times requesting protection
seek from above immunization

When hit by obstacles in location

But I am still on this journey

Our life is a journey

We start from birth and death is destiny
life is filled with happiness and
sadness

For life's journey itself never
ends

For if life is a tall tender tree

For life is joy, life is free

Your life is your life

Be on watch

The journey of life is precious

Never come back

So Aspire to inspire before we expire..
