VISUAL PICTORIAL VOCABULARY

Basically, Vocabulary is a very important part of communication. Because it improves all areas of communication and we cannot express our feelings without it. A robust English vocabulary improves overall communication like; listening, speaking, reading, and writing. A great number of words can help you to express your ideas in a meaningful manner.

OBJECTIVES

We use different words every day to express ideas, thoughts, and feelings to the people around us. Sometimes we communicate successfully and sometimes not. However, a good vocabulary can help us to express what we actually mean.

Vocabulary is the key to learning the English language. Because, without sufficient Vocabulary, students cannot express their ideas or understand others.

Wilkins wrote that "Very little can be expressed without grammar or nothing can be expressed without vocabulary."

As a result, the department of English is concerned about the massive increase of vocabulary of every student who studies in B.V.Raju College. In this connection, we send two visual pictorial vocabulary daily through social media. In the month January, 2024, this daily activity was done.
