In today's competitive job market, possessing technical skills alone is no longer sufficient to secure a dream job. Employers are increasingly seeking candidates who exhibit strong soft skills such as communication, teamwork, problem-solving, and adaptability. Recognizing this trend, the department of English, B.V.Raju College (A), with the support of NPTEL local chapter SPOC from B.V.Raju College, Ch. Satyanarayana, held soft skills training program on interview preparedness in collaboration with NPTEL local chapter for two batches from 19 August 2024 to 25 September 2024. In this training program, 110 students from Degree participated.

NPTEL team took classes as per schedule devised and designed ahead for each program separately. They allocated 6 days with 10 hours for each program. The schedule for each program comprised of 6 topics such as Oral Communication Skills, Writing Skills, Resume Building, Importance of Presenting Oneself and Interview Skills, Importance of Social Networking in the context of job search, and Doubt Clearing session. Raja Venkatesh was the trainer for the two batches as per scheduled dates. After completion of schedules, during which the trainer trained the students and equipped them with the knowledge of interview preparedness, the trainers held mock interviews for the two batches of Degree program on a scheduled dates, based on 10 parameters such as Grooming, Courtesy, Body Language, Resume, Eye contact, Clarity, Confidence, Relevant answers, Language skills, and Attitude that are pivotal for every job aspirant to be considered to combat in the war of interview of a particular job. For the first batch, the mock interview was held on 23 December 2024, for the second batch, 08 January 2025.

Students who attended to these sessions are passionate about learning knowledge of soft skills and interview preparedness knowledge. They interactively participated in all sessions. They also noticed every detail highlighted by trainers. Students are encouraged to participate in group discussions, mock interviews, and team-building activities. These interactive sessions foster a sense of courage among students.

In conclusion, the integration of soft skills training programs in educational institutions plays a pivotal role in enhancing interview preparedness among students. These programs empower students to develop essential interpersonal skills, build confidence, and reduce interview anxiety. The key to their success lies in active student participation, interactive learning, and real-world applications. As students continue to embrace these opportunities, they are better equipped to navigate the job market and embark on successful, fulfilling careers.
