Report on Compering

Objective : The objective of compering is to enhance the ability to host or present events in an engaging, confident and organized manner. It helps in developing Communication Skills, Stage presence and Audience management.

The Department of English successfully launched the Podium Pros Club activity on February 25th, providing a unique platform for students to hone their public speaking, communication, and leadership skills. The club, comprising 10 enthusiastic members, aims to foster a culture of effective communication, critical thinking, and creativity among students. Through this initiative, participants are encouraged to express themselves confidently, articulate their thoughts and opinions clearly, and engage in respectful debates and discussions.
