**ONE DAY WORKSHOP
ON
“MUSHROOM CULTIVATION”**

ONE DAY WORKSHOP ON MUSHROOM CULTIVATION:

The Department of Life Sciences organized a **one-day workshop on Mushroom Cultivation** for **II-year students**. The session featured **Smt. Sri Lakshmi Garu**, Proprietor of *Srilakshmi Mushrooms*, Rajahmundry, as the resource person.

The workshop provided students with valuable insights into the practical aspects of mushroom cultivation, including various stages of production, substrate preparation, and maintenance practices. It served as a highly informative and enriching experience, enhancing the students' understanding of mushroom farming as a sustainable and profitable entrepreneurial activity.

Overall, the program proved to be a **valuable learning experience**, encouraging students to explore the field of applied microbiology and agro-based entrepreneurship.

Conclusion:

Overall, the training significantly enhanced the participants' understanding of mushroom cultivation techniques, from substrate preparation to bed management, and highlighted the economic and nutritional benefits of mushrooms. The blend of expert lectures and practical sessions ensured that the trainees are well-prepared to undertake mushroom cultivation as a sustainable livelihood opportunity or entrepreneurial venture. The program's success was evident in the active engagement of students and their ability to follow protocol in practical exercises, setting a strong foundation for future mushroom farming initiatives.
