### **HANDS ON WORKSHOP ON PYTHON**

#### **EVENT DESCRIPTION:**

Department of Mathematics and Humanities, B V Raju College (A), as a part of the MOU activity from the college Kongunadu Arts and Science College (A), Coimbatore – 641029 planned an activity to conduct one day workshop to gain hands on experience towards python programming language for B.Sc., Mathematics and Statistics Honours programme first and second year interested students.

This activity is scheduled on 12-12-2024 as the resource person **Dr. M. Vivek Prabhu**, Assistant Professor, Department of Mathematics, Kongunadu Arts and Science College (A), Coimbatore – 641029, is attending the Silver Jubilee celebrations of B V Raju College (A) from 12-12-2024 to 14-12-2024.

In the Forenoon session of said date theoretical concepts and problems solving orientation is given in discussion by the resource person and in the afternoon session hands on training is provided by the resource person in computer lab where students clarified their doubts while executing python programming codes. The session was highly informative and engaging, providing our students with invaluable insights into Python programming. The students were particularly appreciative of interactive style and the opportunity to gain hands-on experience under the expert guidance. Feedback from the students is collected and analyzed, it concluded that similar events from the resource person are highly useful to students.

Sir,

On behalf of the faculty and students of B V Raju College, I would like to extend our heartfelt appreciation for conducting the “**Hands on Workshop on Python**” for our B.Sc. students on 12<sup>th</sup> December 2024. Your session was highly informative and engaging, providing our students with invaluable insights into Python programming.

The practical approach you used during the workshop helped students not only grasp theoretical concepts but also apply them effectively in real-world scenarios. Your clear explanations, along with your patience and guidance, made complex concepts more accessible to all participants, ensuring they gained a deeper understanding of Python’s versatility and its applications in various fields.

The students were particularly appreciative of your interactive style and the opportunity to gain hands-on experience under your expert guidance. We are confident that the skills they learned during this workshop will greatly benefit them in their academic pursuits and future careers.

We look forward to the possibility of working with you on future workshops and events, as your contribution has truly enriched our students' learning experience.
