Sub: **Heartfulness Essay Event 2023**

Respected Madam / Sir,

The Heartfulness Essay Event is the flagship event of Shri Ram Chandra Mission which has been running since 1993. The Event was organized at a global level for the first time in 2021. We now invite students from your esteemed institution to participate in the 3rd global edition of the Event.

The primary objective of the Event is to encourage our youth to reflect and introspect on core human values and the topics we choose each year facilitate this process. It is now recognized universally that education without a component of socio-emotional learning and life skills is not complete. Many programs are now available to help develop this aspect of the wards under our care. The Heartfulness Education Trust also offers programs for the entire school community – students, teachers and the administrators on a not-for-profit basis.

This year along with the Essay Event, we are presenting an interesting opportunity for schools to undertake a survey which will give insights into the socio-emotional quotient of the students in the age group 14-18 years (Classes 9-12). Known as “SEI Insights” this initiative will help the school Management to determine to some extent the impact of interventions for socio-emotional learning which they may have undertaken or to also determine the need for them.

For students of age group 19-25 we are inviting entries for the second edition of the **Youth Innovator Awards**.

The details of the Essay Event are provided in the attached Information Leaflet. To get details of all the above events, to register and to participate, please visit our website: hfn.link/essayevent. Registration is free of charge for both participants and institutions. Please write to us at essayevent@heartfulness.org for any clarifications/suggestions.

Thanks and best wishes,

The Organizers
